About Bajaj Electricals

Bajaj Electricals Ltd. is a reputed and trusted Indian company, and a part of the US \$20 Billion "Bajaj Group". Bajaj Electricals is in the business of - Consumer Products (Appliances, Fans, Lighting), Exports, Luminaires and EPC (Illumination, Transmission Towers and Power Distribution). The company also has a prominent presence in the hi-end range of appliances with brands like Platini and Morphy Richards in India. It has a branch office in Dubai and 19 more in different parts of India, besides being supported by a chain of Dealers and Distributors across the country, and over 100 exclusive showrooms called 'Bajaj World'.

Luminaires Business Unit

The Luminaires Business is involved in the domain of Modern Workspace Lighting, Urban Architectural Lighting, Street Lighting, Industrial Lighting, etc. Right from lighting up state-of-the-art engineering projects like the Bandra Worli Sea Link, being the source of delight for spectators across stadiums during the Commonwealth Games, enhancing the aesthetic beauty of the Kachiguda Railway Station at Hyderabad or surpassing expectations in modern day work-space lighting challenges; we always go the extra mile to light up your world. The Luminaires BU is lighting up its way with endeavors in futuristic Lighting products like Green LED, Green Building Solutions and Building Management Systems, with the sole purpose of energy conservation. In short, we at Bajaj Electricals illuminate everything that brings joy and happiness to your life.

Our Solar Power System is a new age renewable energy system which uses PV modules to convert sunlight to electricity. The energy generated can either be stored or used directly. It can be fed into the grid line or combined with one or more electricity generators.

Jewels

Over the years, we have carried out and executed numerous landmark projects and installations across the country. It's with your support and constant motivation that we have always delivered the best. We are privileged to be acknowledged for our services in form of appreciation letters from you. These are "Jewels" which we present to you in compiled form in this catalog. These appreciation letters are our pride and motivation in creating landmark installations.

Subject: Thank you Bajaj Team....

Dear Murali,

This small note is to thank you and entire Bajaj Lighting team for the support extended to Accenture in last two years of our association.

We appreciate your adherence to timelines – not a single consignment was delayed in last two years. This speaks a lot about the attention we get within Bajaj and the efforts you and your team make to meet our stringent timelines requirement. Would also wish to mention, we didn't face a single problem with your products in last two years and this proves the robustness of your products, and credibility of your design/R&D team.

Please do share our thanks with your other team members as well. We look forward to similar support in future too.

Regards,
Bhavesh
(Accenture Workplace Solutions – India Projects Delivery)

BAJAJ ELECTRICALS LTD.,

Residency Road

BANGALORE - 560 025

Dear Sir,

We have been using **BAJAJ** brand 150W Induction Street lights in Ramanagar area last one year. We are happy with product performance & the technical support that we get from BAJAJ team. *ATY-274 N03*

After installation of Induction Street light at Ramanagr area, accident rate is reduced, it is as per data fm local team / traffic controller information. This is due to uniformity of light output from BAJAJ Induction Street Light.

We look forward to use of more innovative /advanced / Made-In-India products fm BAJAJ in our future projects.

Your's truly,

ಶಿಶು ಅಧಿಕಾರಿ (ಡಿ),
ನಗರಸಭೆ, ರಾಮನಗರ.

ಸಹಾಯಕ ಕಾರ್ಯಾಲಯ ಅಧ್ಯಕ್ಷರು,
ನಗರಸಭೆ, ರಾಮನಗರ.

Ramanagar Nagar Sabha, of Banaglare city has upgraded from Conventional Streetlights to energy efficient Induction Streetlights. These streetlights are not only helping in saving energy but have also contributed in reducing the accident rate due to better uniformity in lighting.
